Headteacher Mr Adam Barber

8th December 2017

Level 2 Cycle Training

To parents of children in Year 5

During Terms 3 and 4, we are able to offer children the opportunity to do a Level 2 cycle training course. The training is delivered by Bristol City Council instructors, it takes place on local streets and the cost is £10. **Children must have their own bike, which must be checked for safety before the course, and they must be able to ride it without stabilisers. The holidays are a good time to get in some extra practice.** Children do not have to have completed Level 1 training in Year 4 to qualify for this course – all children are welcome to apply.

Children will be taught in groups of 10. Each course consists of 4 sessions of one and a half hours. We will allocate children to courses according to Class groupings.

If you would like your child to take part, please click on the School Gateway link to give your consent and pay. [School Gateway](#)

**Please ensure that you give consent by Wednesday 3rd January 2018.
Applications made after this date will not be considered.**

Please be aware that places will be offered on a first come, first served basis. You will be informed by email if your child has a place.
