MUSIC TUITION AUTUMN 2014

Please read if your child is currently playing a musical instrument **AND** if you think your child would enjoy and benefit from starting to learn in September 2014.

So that we are able to arrange the booking of the variety of musical tutors presently visiting Henleaze, it would be very useful if you could complete the tear-off slip below if your child is either going to continue/stop **OR** if your child would like the opportunity of learning one of the many instruments on offer.

Places are limited, and priority is given to older children who are already receiving tuition within the school. We are also able to offer tuition for guitar, flute and clarinet. These can also be arranged through school, but fees are paid directly to the tutor. Please return the slip below if your child is interested.

The cost has been approximately £210/year, which is equivalent to approx £6 per lesson. Payment can be paid in full, or by 3 instalments, due September, January and April. Obviously the more children who receive lessons will help to keep the cost down. We will notify you of the actual costs as soon as we have the numbers of children requesting lessons. In cases of financial hardship, please contact the school office. So that your child is committed to learning, we ask that a **one half term notice** be given should your child wish to stop. This means that you will need to pay for one half-term on from the date of notice

If your child is interested please complete and return the slip below **before Friday 11 July 2014.**
(Please note – we are using the old 3 term system for the purposes of this letter – a half term is approximately 6 weeks).
