Headteacher Mr Adam Barber

5^h November 2018

Dear Parent/Guardian,

On Wednesday 5th December, Year 3 have the chance to take part in an interactive multi-sensory trail, for primary school pupils. 'Christmas through the keyhole' will be run at Redland Education Centre where the children will participate in a workshop. Pupils will visit various scenes to look for clues as to who lived there and to understand the Christmas Story.

The children will also have the chance to decorate a cookie which they will ice. **Please let your class teacher know if your child has any allergies which would prevent them taking part in this activity.**

More information regarding the trail, please watch the video from last year

<http://www.redlandeducationcentre.org.uk/primarytrails/>

There is no charge for this trip, but we would be very grateful for five parent helpers from each class to assist with walking the children to the centre. If you are able to help in any way, please click on the School Gateway box below and leave a comment.

We will be walking to and from the centre, whatever the weather! Please make sure your child wears appropriate clothing and footwear.

Many thanks for your support.
