

Have You Heard The Story?

CHILD 4: There are so many fables, myths and legends!

- 1 Have you heard the story of King Midas?
Everything he touched he turned to gold!
Or Cyclops – he's the guy
Who had one central eye,
A fairly scary giant so we're told.
- 2 Have you heard the story of Medusa?
With horrible, hissing vipers for her hair.
Or the Minotaur whose days
Were spent inside a maze,
It's said he fed on tasty children there.
- 3 Have you heard the story of poor Icarus?
His waxy wings were melted by the sun.
Or Pandora who unlocked
The evils in her box?
Very, very, bad for everyone!
- 4 Have you heard the story of the Argonauts,
Helping Jason find the Golden Fleece?
Don't forget Poseidon too,
He ruled the oceans blue,
All around the beautiful Isles of Greece.
Fables, myths and legends never cease
In the storyland of Ancient Greece!
