CLASS VISITS TO SCHOOL BEFORE THE HOLIDAYS

July 2020

We think it is really important for our children to come back into school before the summer holidays, so that they can reconnect with their classmates and overcome any anxieties they may have after so long away from school. We are inviting each class to visit us in school for about an hour during the last week of term.

Each class will be split into two groups, Group A (Eagles and Hawks) and Group B (Ravens and Kestrels). Both groups will arrive at the same time and line up outside different gates. Staff will be there to point them in the right direction.

See overleaf for more details of the timetable.

Please arrive five minutes before your session time, and line up on the yellow markings. A teacher will come out and collect the children from the gate.

We will not necessarily be able to take the children to their actual classroom, but we will tell them where their new classroom will be and answer questions about next year.

For the second part of their visit, Groups A and B will both come to the Hall, where there is plenty of space for them to sit at a social distance, for a Class Assembly with Mr Barber or Mr Parr. Children who are already here attending the Spacious Sunshine School will be able to come and join us. Those that attend the SSS but not on that day of the week, will be invited to come in for the Assembly. The whole class will get to meet their current teacher and their new teacher for next year – either in person, or on the screen.

When children come in, they will first wash their hands and then sit at the allocated desk, where they will find their tray full of books. At the end of their visit, they will return to the classroom and collect any books and belongings that they want to take home. We would like them to bring an empty bag with them for that purpose. Anything that is not taken home will be disposed of.

Timetable for class visits

On each day, we will have six groups visiting. They will each use a different classroom so each child will use a desk and chair not used by anyone else that day. At the end of the day, the classrooms will be thoroughly cleaned ready for the next three classes.
