

Year 5 Home Learning 13th July – 17th July 2020

Lesson 1 – at least 30 minutes per day	<p><u>English</u></p> <p>This week we will work on writing a letter to your new class teacher for Year 6.</p>	<p>Click here for the Home-Learning plan for this week.</p>
Lesson 2 – at least 30 minutes per day	<p><u>Maths</u></p> <p>This week we are looking at different units of metric measure, converting between different units of time and interpreting timetables. We have provided an extension activity every day if you need a further challenge.</p>	
Lesson 3 – at least 30 minutes per day	<p><u>Other tasks</u></p> <p>This week, we are asking you to design a Guide to Year 5 for the children coming up from Year 4. How you present this guide is entirely up to you – work to your strengths. There are also some ALL ABOUT YOU non-screen based activity suggestions to celebrate how wonderful you've been these last two terms!</p> <p>You can also try something from Mrs Goulden's page by clicking here: French resources</p>	

Every day, try and find additional time for:

At least 20 minutes reading (see link on the plan to a Reading Challenge sheet if you need one)

10 minutes practising spellings (see link on the plan for Spelling Frame and Orange words)

10 minutes practising times tables (see link on the plan for Ultimates sheets)

20 minutes aerobic exercise – get your heart beating a bit faster and your muscles stretching!
