# Enrichment

We would be delighted if any parent or relative could spare the time to talk to Year 6 about their job, faith or special interest.

The smallest talk can be hugely inspiring for the children so please contact us via school office email.

- Later in the year, we will be doing Life Skills at the Create Centre.
- In the past we've had companies visit like:
- Warburtons, PCSO, Meet a Medic from Bristol University, parents speaking about their faith

## Residential Trips

- It is our aim that every child in year 6 experiences this special week away, where personal challenges are set and met and also your child grows in confidence and independence.
