				Action
Matters arising from the previous meeting				
<p>Mr Barber discussed buddies with Mr Parr. Year 6 School Councillors said that each class takes it in turns to do each of the lunchtime jobs. Some jobs are harder to manage than others, for example in the Alley, because there are too many children and they don't always listen. Everyone takes a turn at being a buddy, but they don't always understand what they are supposed to do.</p> <p>Action: Mr Barber asked Molly and Delilah to arrange a meeting with one of the Year 6 teachers to talk about how the buddy system is working and how it could be improved.</p>				MM, DH
Class 12				
<p>Could someone dress up as Santa and take presents round to the classes for all of the children.</p> <ul style="list-style-type: none"> This happened one year at the infant school. We have Santa at the Christmas Bazaar and children can see him and get a present, but parents have to pay. Someone would have to pay for the presents and someone would have to volunteer to deliver them. He could give out sweets instead of presents. <p>Vote: Minority in favour of organising Santa to deliver presents to classes. Therefore, we will not take any action.</p>				
Class 6				
<p>Can we use the climbing frame in the Hall again?</p> <ul style="list-style-type: none"> Classes report that they have not used the climbing frame for a long time. <p>Action: Mr Barber will ask Mr Heath and Lottie to check if the PE lesson plans include use of the climbing frame.</p>				Mr B
Class 1				
The blue handwriting pens bleed and leak.				

<ul style="list-style-type: none"> • Other classes confirmed that the new pens this term are not working well. They run out quickly and they leak when pressed too hard. • The school has now run out of those handwriting pens. • School Council tested 12 different pens last year and we ordered the most popular ones. • Mr Barber passed round some samples of the second most popular pen (Edding) for School Councillors to try. Everyone approved. <p>Action: Mr Barber will ask Mrs Hughes to order a batch of the Edding pen. School Councillors are asked to report back to the next meeting.</p>	Mr B
Class 11	
<p>We should all make an effort to include people from other countries who don't understand English in our games.</p> <ul style="list-style-type: none"> • You could find someone who understands their language and speaks English and ask them to translate. • You should try to learn a few words in their language to help them feel valued and included. • In some classes, they answer the register in other languages. 	
Feedback from classes on inclusion and belonging	
<p>Class 11 said:</p> <ul style="list-style-type: none"> • Everyone is kind and helpful. • Children includes everyone in their games. • School is very nice. <p>Class 5 said:</p> <ul style="list-style-type: none"> • No-one in our class said they don't feel they belong.

Class 5	
<p>Cup cake sale after school</p> <ul style="list-style-type: none"> • Cake sales are good money makers • We could have a competition to design birthday cakes. • We would have to make sure that we didn't exclude children who have food allergies. 	
Class 4	
<p>70th birthday decorations for the Christmas tree</p> <ul style="list-style-type: none"> • Everyone could make decorations to hang on the school tree. • This could be a project for the last week of term. Design a decoration which could be taken home. • It could be a homework task. 	
Class 3	
We could have an exhibition about the history of the school. Each class could research a different period or topic and set up a stall in the Hall.	
Class 2	
<p>We could have a "casino" with games, and possibly gambling with sweets.</p> <ul style="list-style-type: none"> • Gambling would not be an appropriate activity for a primary school. • Children could make their own games and offer prizes. 	
Other suggestions	
<ul style="list-style-type: none"> • A 70 metre race for charity. (Or 700 metre) • A souvenir book that everyone signs. • Balloons in "70" shape
