30th January 2023

Year 4 "The Beat Goes On" workshop this Thursday

Dear Parents and Carers,

This Thursday morning, 2nd February, we are taking all of the Year 4 children to Trinity Academy to take part in a body percussion workshop led by Ollie Turner from The Beat Goes On. Ollie came into school in January and spent the morning with Year 4, composing and performing a body percussion piece. At Trinity, our children will join more than 100 children from other local primary schools in the concert hall to create one big performance.

Children will travel by coach, leaving school at 9:15 and returning at about 11:30, in time for lunch. They don't need any special clothing or equipment and they don't need to bring a packed lunch. A water bottle would be a good idea.

The cost of this event is covered by a subsidy from the NW24 Teaching and Learning Partnership and our HJS Enrichment Fund. There is no charge to parents.

Photos and video of the workshop may be used by HJS or by other schools taking part on school websites or by The Beat Goes On for promotional purposes. No children will be named. If you do not consent for your child to appear in such photographs we will make sure they are positioned behind the photographer during the performance.

Please go to [School Gateway](#) to give your consent for this trip and indicate whether you are happy for your child to appear in any photographs that are taken.

Kind regards,

Pippa Pickett, Kathy Beer, Tom Heath, Mel Garrett

Year 4 Team
