- 4.1 The Academy Trust has overall responsibility for all matters which are the subject of this Policy.
- 4.2 The Academy Trust will comply with its duties under the Children and Families Act 2014, the Equality Act 2010 and the specific requirement under section 149 of the Equality Act 2010 to meet the Public Sector Equality Duty. This means in carrying out its functions, the Academy Trust is required to have due regard to the need to:
  - 4.2.1 eliminate discrimination and other conduct that is prohibited by the Act;

in addition to those set out in the staff code of conduct.

4.5 The Academy Trust will be responsible for providing suitable training to all staff on all matters related to this Policy. The Academy ensures that regular guidance and training is arranged on induction and at regular intervals thereafter so that staff and volunteers understand what is expected of them by this Policy and have the necessary knowledge and skills to carry out their roles. This includes:

4.5.1 how staff can support pupils in meeting high standards of behaviour;

4.5.2 how staff can help to ensure that this Policy is applied in a way that is consistent, fair, proportionate and predictable;

4.5.3 where applicable to reflect the need of particular pupils.

4.6 The level and frequency of training depends on the role of the individual member of staff. The Academy maintains written records of all staff training.

## 5 Promoting high expectations of good behaviour

- 5.1 It is everyone's responsibility to promote good behaviour and this includes the Academy Trust, staff, parents and pupils at the Academy.
- 5.2 Pupils are educated about good behaviour through the operation of the Academy's curriculum, PSHE, relationships education / relationships and sex education programmes and the Academy's pastoral support systems. This includes teaching pupils explicitly what good behaviour looks like (for example, through the teaching of good habits and routines). This will also include induction to the Academy's systems and routines on joining the Academy and re-induction after removal from the classroom, time spent at off-site provision or in Alternative Provision and following suspension.
- 5.3 Pupils are expected to treat each other and staff with respect and meet the behaviour expectations set out in this Policy.
- 5.4 Parents are expected to work in partnership with the Academy over matters of behaviour. The Academy will help parents understand what is expected of pupils and why maintaining good behaviour is important to pupils' well-being and attainment. Parents will normally be informed as soon as reasonably practicable of any reports that their child / young person may have breached this Policy.
- 5.5 The Academy understands that rewards can be more effective than sanctions in the promotion of good behaviour. [Appendix 3](#) sets out how the Academy will reward good behaviour.
- 5.6 The Academy's ethos in relation to behaviour is detailed in the Behaviour Principles and Routines.
- 5.7 The Academy's behaviour curriculum will teach how to achieve the ethos of the Academy in relation to behaviour and it will be embedded throughout the school day to create an environment where good conduct is more likely, and instances of poor conduct are reduced or non-existent.

## 6 **Special educational needs and/or disability**

- 6.1 The Headteacher and Academy Trust will comply with their statutory duties in relation to SEN and disability and the Equality Act 2010 when making decisions in line with this Policy. This includes having regard to the SEND Code of Practice.
- 6.2 If staff have a concern that a pupil's behaviour may be as a result of unmet educational or other need, staff will seek the advice of the SENCO and further action in accordance with the Academy's Special educational needs and disability policy will be considered.
- 6.3 Where the Academy has concerns about the behaviour, or risk of suspension or permanent exclusion, of a child with additional needs, SEN and disabilities or a pupil with an EHC plan, it should consider what additional support may be required. If the pupil is on the SEN register or has an EHC Plan the Academy should assess the suitability of provision. Where a pupil has an EHC plan, the Academy should consider requesting an early annual review or emergency review of the pupil's EHC Plan.
- 6.4 The Academy recognises that where challenging behaviour is related to a pupil's SEN or disability, use of positive discipline and reward methods may be more effective in improving their behaviour.
- 6.5 The Academy will be mindful that not all pupils requiring behavioural support will have identified special educational needs or a disability.
- 6.6 This Policy will be adjusted where it is necessary to do so by reason of the pupil's SEN and disabilities and the Academy will consider the issue of reasonable adjustments, including when deciding:
  - 6.6.1 how to communicate this Policy and ensure understanding of the expectations in relation to behaviour;
  - 6.6.2 what support a pupil may require to meet the behaviour expectations in this Policy;
  - 6.6.3 how the behaviour expectations will apply;
  - 6.6.4 how an investigation will be conducted;
  - 6.6.5 whether a sanction / other action under this Policy is appropriate;
  - 6.6.6 if a sanction is appropriate, which sanction may be appropriate.

- 6.7 Where a suspension or permanent exclusion is being considered, the Academy will ensure that a pupil with SEN and / or disability is able to present their case fully.
- 7 **Safeguarding**
- 7.1 The Academy will take into account their safeguarding duties, **KCSIE** and follow the procedures set out in the Academy's Safeguarding and child protection policy.
- 7.2 Safeguarding issues can manifest themselves via child-on-child abuse such as:
- 7.2.1 bullying (including cyber-bullying prejudiced-based and discriminatory-based bullying);
  - 7.2.2 physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm (which may include an online element which facilitates, threatens and / or encourages physical abuse);
  - 7.2.3 sexual violence and / or sexual harassment (which may include an online element which encourages sexual violence);
  - 7.2.4 causing somebody to engage in sexual activity without consent;
  - 7.2.5 upskirting and / or attempts to commit upskirting;
  - 7.2.6 consensual and non-consensual sharing nudes and semi-nudes and or videos (also known as sexting or youth produced sexual imagery); and
- 7.3 Child-on-child abuse can occur both inside and outside of the Academy and may be taking place whilst not being reported. A one size fits all approach is not appropriate for all pupils, and a contextualised approach for more vulnerable pupils, victims of abuse and pupils with special educational needs and disabilities may be required. Certain behaviours, for example dismissing sexual harassment as "just banter", "just having a laugh", "part of growing up" or "boys being boys" can lead to a culture of unacceptable behaviours and create an unsafe environment for pupils. In worst case scenarios, dismissing sexual harassment can led to a culture

that normalises abuse and pupils accepting it as normal and not coming forward to report it.

- 7.4 The Academy will adopt a zero tolerance approach to abuse in order to prevent harm to pupils.
- 7.5 Technology is a significant component in many safeguarding and well-being issues. Pupils are at risk of abuse online as well as face to face. This can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography.
- 7.6 When an incident involves nude or semi-nude images and/or videos, the member of staff should refer the incident to the DSL as the most appropriate person to advise on the Academy's response.

## **8 Responding to misbehaviour**

- 8.1 Reporting concerns is encouraged at the earliest opportunity.
- 8.2 The Academy adopts a culture of openness and transparency. All concerns will be taken seriously including scenarios where potential breaches of discipline appear minor.
- 8.3 When a member of staff becomes aware of misbehaviour, they should respond predictably, promptly, and assertively in accordance with this Policy. Staff will also respond in a fair and proportionate manner so pupils know with certainty that behaviour falling short of this Policy will always be addressed.
- 8.4 The first priority will be to ensure the safety of pupils and staff and to restore a calm environment. De-escalation techniques can be used to prevent further behaviour issues arising.
- 8.5 The Academy recognises that taking disciplinary action and providing appropriate support are not mutually exclusive actions. They can and should be used at the same time if necessary.
- 8.6 Where appropriate, staff should consider contributing factors that are identified after a behaviour incident has occurred, for example if the pupil has suffered a bereavement, experienced abuse or neglect, has mental health needs, has been subject to bullying, has needs including SEN and disabilities (including any not previously identified), has been subject to criminal exploitation, or is experiencing significant challenges outside of school.
- 8.7 The Academy will consider whether the misbehaviour gives cause to suspect that a pupil is suffering, or likely to suffer, harm. Where this may be the case, Academy staff will follow the Academy's Safeguarding and child protection policy and speak to the DSL.
- 8.8 The Academy will give consideration to any risks posed to the welfare of pupils and staff when deciding whether to impose sanctions for a breach of this Policy.

- 8.9 The Academy's pastoral support team assists pupils in managing their behaviour.
- 8.10 All decisions in relation to sanctions will be made on the Academy's premises or elsewhere at a time when the pupil is under the control or charge of a member of staff of the Academy Trust.
- 8.11 Any sanction imposed on a pupil will be legal, fair and proportionate.
- 8.12 In relation to pupils with SEN and disabilities whose needs may affect behaviour, the Academy will consider the pupil's SEN and disabilities when implementing this Policy in relation to their behaviour and will make reasonable adjustments.
- 8.13 Where a pupil is a looked after child, the Academy will inform the local authority of sanctions in the same way as it would with Parents and take account of other relevant considerations prior to imposing the sanction.

## 9 **Minor breaches**

- 9.1 All reports of misbehaviour will be taken seriously no matter how minor. Reports of minor breaches of discipline are considered by staff as they occur. Staff may carry out informal investigations and / or interviews with the pupils involved. Low level sanctions may be given following such processes (see [Appendix 3](#) for details of possible sanctions).
- 9.2 A minor breach of this Policy may be referred to a senior member of staff and external agencies prior to, during or following an informal investigation.

## 10 **Serious breaches or recurrent misbehaviour**

- 10.1 Reports of serious breaches or recurrent misbehaviour should be referred to the Headteacher.
- 10.2 The main categories of behaviour which are likely to be considered to be serious breaches include:
- 10.2.1 supply which means providing or sharing (whether or not for money or other consideration) or facilitation of supply e.g. sale, exchange or sharing (which includes promotion / advertisement or facilitating supply) / possession / use of drugs and solvents or their paraphernalia or substances intended to resemble them, or alcohol or tobacco as prohibited by the Academy's policy on smoking, alcohol and the misuse of drugs and substances;

- 10.2.2 all types of bullying and discriminatory conduct;
- 10.2.3 actual or attempted theft, blackmail, intimidation, and other such conduct capable of amounting to a criminal offence including being an accessory or conspirator;
- 10.2.4 physical violence and / or abuse (which may include but is not limited to hitting, kicking, shaking, biting and hair pulling);
- 10.2.5 physical or emotional abuse or harassment (to include behaviour that may be categorised as "banter", "just having a laugh", "part of growing up" or "boys being boys");
- 10.2.6 initiation / hazing type violence and rituals (which may include but is not limited to activities involving harassment, abuse or humiliation used as a way of initiating a person into a group);
- 10.2.7 abuse in personal relationships between peers including intimate relationships;
- 10.2.8 sexual violence, sexual harassment and upskirting and other harmful / inappropriate sexual behaviour;
- 10.2.9 consensual and non-consensual sharing of nudes and semi-nude images and / or videos (including digitally manipulated or AI-generated nude and semi-nude images);
- 10.2.10 behaviour in contravention of the Academy's policies on the acceptable use of technologies or online safety;
- 10.2.11 supply or possession of pornography;

- 10.2.12 behaviour which may amount to a criminal offence, such as:
  - 10.2.13 possession or use of firearms, knives or other weapons;
  - 10.2.14 vandalism, defacement and / or destruction of Academy property;
  - 10.2.15 recurrent instances of misbehaviour which are inconsistent with the Academy's ethos;
  - 10.2.16 other misconduct which affects the safety or welfare of a member or members of the Academy's community or which brings the Academy into disrepute (single or repeated episodes) on or off the Academy's premises; and
  - 10.2.17 other misconduct specifically provided for in the related policies listed in [Appendix 5](#).
- 10.3 The Academy will operate within the principles of fairness and natural justice. A decision to exclude a pupil permanently will only be taken:
- 10.3.1 in response to a serious breach and / or recurrent breaches of this Policy; and
  - 10.3.2 where allowing the pupil to remain at the Academy would seriously harm the education and / or welfare of the pupil and / or others such as the Academy's staff or pupils.
- 10.4 Reports of a serious breach or recurrent misbehaviour will be investigated in accordance with the procedures set out in [Appendix 2](#).
- 10.5 [Appendix 3](#) sets out a non-exhaustive list of possible sanctions which may be imposed for serious breaches and recurrent misbehaviour this Policy.
- 11 Suspected criminal behaviour**
- 11.1 Before investigating a behaviour incident, the Academy will consider whether a criminal offence may have been committed and should be reported to the police.

- 11.2 When dealing with behaviour that may amount to a criminal offence the Academy will consider whether the pupils involved have additional vulnerabilities including:
- 11.2.1 Disability
  - 11.2.2 Special educational needs
  - 11.2.3 Neurodiversity including Autistic Spectrum Condition
  - 11.2.4 Mental health concerns
  - 11.2.5 Difficult personal circumstances outside of school
  - 11.2.6 Gang or Organised Crime Group associations
  - 11.2.7 Social isolation
- 11.3 The DSL will liaise with the Headteacher to inform them of any issues relating to police investigations, including making them aware of the requirement to have an appropriate adult .
- 11.4 Where a report is made to the police in relation to a pupil registered at the Academy and regardless of who has made the report, the Academy will not act in a way which could prejudice a criminal investigation or tip off anyone who may be involved. The Academy will keep in mind that any records created (including witness statements) may be requested by the police, crown prosecution service or defence solicitors for use within criminal proceedings, with disclosure to other parties.
- 11.5 Depending on the individual circumstances of the case, and usually having liaised with the police, the Academy may decide to continue its investigation and/or impose sanctions.
- 11.6 The Academy will follow its Safeguarding and child protection policy and procedures.

## 12 **Removal from the classroom**

- 12.1 Removal is where a pupil, for serious disciplinary reasons, is required to spend a limited time out of the classroom at the instruction of a member of staff. This is to be differentiated from circumstances in which a pupil is asked to step outside of the classroom briefly for a conversation with a staff member and asked to return following this.
- 12.2 Removal from the classroom is considered to be a serious sanction and will only be imposed in response to a serious breach of this Policy. It will only be used when necessary and once other behavioural strategies in the classroom have been attempted, unless the behaviour is so extreme as to warrant immediate removal.

- 12.3 The Headteacher will decide which members of staff can remove a pupil from the classroom and will communicate this clearly to Parents and staff at the Academy.
- 12.4 Removal from the classroom is different to the use of separate spaces (for example, sensory / nurture rooms used for non-disciplinary reasons to meet a pupil's needs).
- 12.5 Removal from the classroom will only happen for the following reasons:
- 12.5.1 to maintain the safety of all pupils and to restore stability following an unreasonably high level of disruption;
  - 12.5.2 to enable disruptive pupils to be taken to a place where education can be continued in a managed environment;
  - 12.5.3 to allow the pupil to regain calm in a safe space.
- 12.6 Parents will be notified of removal of the pupil from the classroom on the same day.
- 12.7 The Academy's arrangements for removal from the classroom are that the pupil will be removed for the shortest time possible, supervised in an appropriate location by suitably trained staff and reintegrated when safe and appropriate to do so.
- 12.8 The Academy will consider whether removal from the classroom is proportionate, and each case will be dealt with on its own individual facts. The Headteacher and staff will:
- 12.8.1 consider whether any assessment of underlying factors of disruptive behaviour is needed;
  - 12.8.2 inform Parents of the removal from the classroom on the same day;
  - 12.8.3 facilitate reflection by the pupil on the behaviour that led to their removal from the classroom and what they can do to improve and avoid such behaviour in the future;
  - 12.8.4 ensure that pupils are never locked in the room of their removal except in limited exceptional situations.

12.8.5 if a pupil has a social worker, including if they have a Child in Need plan, a Child Protection plan or are looked-after, notify their social worker.

12.8.6 If the pupil is looked after, ensure their Personal Education Plan is appropriately reviewed and amended and notify their Virtual School Head.

12.9 The Academy will provide a pupil who is removed from the classroom continuous meaningful education during any period of removal. Removal will be time-limited, and pupils will continue to be supervised by a member of staff.

12.10 The Headteacher will maintain overall strategic oversight of the use of removal from the classroom.

12.11 The Academy will collect, monitor and analyse the data on the removal of pupils from the classroom in order to interrogate its use and effectiveness.

### 13 **Restrictive Intervention**

13.1 Restrictive intervention is an intervention which is made to protect a pupil from harm or from harming others by limiting their movement or associations. For example, a pupil may not be allowed to use a particular area such as a specific corridor due to previous incidents or they may not be allowed to associate in break times with another pupil if their interactions have previously had negative consequences.

### 14 **Use of reasonable force**

14.1 All members of staff at the school can use reasonable force to prevent or stop a pupil from:

14.1.1 committing a criminal offence;

14.1.2 injuring themselves or others;

14.1.3 causing damage to property, including their own; and/ or

14.1.4 engaging in any behaviour prejudicial to good order and discipline at the Academy or among any of its pupils, whether that behaviour occurs in a classroom or elsewhere.

14.2 This power applies to any member of staff at the school. It can also apply to people whom the Headteacher has temporarily put in charge of pupils such as unpaid volunteers or Parents accompanying students on an Academy organised visit.

- 14.3 Reasonable force can be used for two main purposes:
- 14.3.1 to control pupils; and / or
  - 14.3.2 to restrain them.
- 14.4 Reasonable force means using no more force than is needed.
- 14.5 Any use of reasonable force will be in accordance with the guidance [Use of reasonable force in schools](#).
- 14.6 The Academy does not require parental consent to use reasonable force.
- 14.7 Reasonable force will never be used as a sanction.
- 14.8 In deciding whether reasonable force is required, the needs of the pupil will be considered including SEN and/or disabilities and the duty to make reasonable adjustments. The Academy will establish positive behaviour support strategies for pupils with additional needs, in consultation with their Parents, to reduce the occurrence of challenging behaviour and the need to use reasonable force.
- 14.9 Where reasonable force is used, the Headteacher must be informed of the incident and it will be recorded in writing. The Parents will be informed about serious incidents involving the use of reasonable force. In the EYFS setting, the pupil's Parents will be informed about any use of reasonable force on the day of the incident or as soon as reasonably practicable. See also the Academy's separate Policy on the Use of physical restraint.
- 14.10 For the avoidance of doubt, the Academy will never use corporal punishment.
- 15 Searching, screening and confiscation**
- 15.1 Academies can impose reasonable and proportionate disciplinary measures. This enables a member of staff to confiscate, retain or dispose of a pupil's property as a sanction where it is reasonable to do so.
- 15.2 The Academy's policy on searching and confiscation has regard to the [Searching screening and confiscation guidance for schools](#), and [KSCIE](#).

### **Searching**

- 15.3 Only the Headteacher, or a member of staff authorised by the Headteacher, can carry out a search for specific items, or all items set out in this Policy.
- 15.4 The Headteacher can require and authorise a member of the security staff to undertake a search. If a security guard, who is not a member of the school staff, searches a pupil, this guidance should be followed and the person witnessing the search should be a permanent member of the school staff. The Headteacher may not require a member of staff to undertake a search if they refuse.
- 15.5 A search can be considered if the authorised person has reasonable grounds for suspecting that the pupil is in possession of an item

**prohibited by law** or any item identified in this Policy for which a search can be made, or if the pupil has agreed.

- 15.6 The authorised person should make an assessment of how urgent the need for a search is and should consider the risk to other pupils and staff.
- 15.7 Before any search takes place, the authorised person conducting the search should explain to the pupil why they are being searched, how and where the search is going to take place and give them the opportunity to ask any questions.
- 15.8 The member of staff undertaking the search should ensure the pupil understands the reason for the search and how it will be conducted so their agreement is informed.
- 15.9 If a pupil refuses to cooperate with the search, the authorised person should assess whether it is appropriate to use reasonable force to conduct the search. An authorised person can **only** use reasonable force to search for items that are **prohibited by law**. Reasonable force **cannot be** used to search for items that are prohibited or restricted by the Academy (as set out in Appendix 3). The decision to use reasonable force should be made on a case-by-case basis. The authorised person should consider whether conducting the search will prevent the pupil harming themselves or others, damaging property or causing disorder.
- 15.10 Searches will be carried out on the Academy premises or, if elsewhere, where the member of staff has lawful control or charge of the pupil, for example on an educational visit or in training settings.
- 15.11 When exercising these powers, the Academy must consider the age and needs of pupils being searched or screened. This includes the individual needs of pupils with SEN and making reasonable adjustments that may be required where a pupil has a disability.
- 15.12 Where a search is considered necessary, but does not need to be carried out urgently, the advice of the DSL will be sought. During this time the pupil should be supervised and kept away from other pupils.
- 15.13 Staff will be the same sex as the pupil being searched and there will be a witness (also a staff member) who, if possible, will be the same sex as the pupil being searched. As a limited exception to this rule, staff can carry out a search of a pupil of the opposite sex and / or without a witness present, but only if:
- 15.13.1 staff reasonably believe that there is a risk that serious harm will be caused to a person if a search is not carried out as a matter of urgency; and
  - 15.13.2 in the time available it is not reasonably practicable to summon another member of staff.

- 15.14 If a search is conducted without a witness, the authorised person should immediately report this to another member of staff, and ensure a record of the search is kept.
- 15.15 A pupil's possessions can only be searched in the presence of the pupil and another member of staff except where there is a risk that serious harm will be caused to a person if the search is not conducted immediately and where it is not reasonably practicable to summon another member of staff.
- 15.16 "Possessions" means any goods over which the pupil has or appears to have control - this includes desks, lockers and bags.
- 15.17 The DSL should be informed of any searching incidents where the member of staff had reasonable grounds to suspect a pupil was in possession of an item **prohibited by law** as listed above.
- 15.18 **The Academy usually requires the pupil's agreement** to search a pupil and their possessions:
- 15.18.1 for any item which the Academy has prohibited or restricted in this Policy (for a list of prohibited and restricted items see [Appendix 3](#)); and
  - 15.18.2 where there is no suspicion that a pupil has an item **prohibited by law** in their possession.
- 15.19 Under this Policy the Academy makes it a condition of having a locker or space that the pupil agrees to have these searched. If the pupil then withdraws their agreement to search, a search may be conducted both for the items prohibited by law and any items prohibited / restricted under this Policy without the pupil's agreement or cooperation.]
- 15.20 In these circumstances, if the pupil refuses to cooperate, the authorised person(s) cannot use reasonable force to undertake the search.
- 15.21 The authorised person should ensure the pupil understands the reasons for the search and how it will be conducted, so that their agreement is informed. Appropriate consideration will be given to the age and needs of pupils being searched and the factors that may influence the pupil's ability to give informed consent. If a pupil does not agree to the search, the Academy will consider why this is. If a pupil continues to refuse to cooperate, the member of staff may sanction the pupil in line with this Policy, ensuring that they are responding to misbehaviour consistently and fairly.
- 15.22 If a search is necessary but not required urgently, the staff member will seek advice from the DSL or appropriate member of pastoral staff.
- 15.23 The Academy will consider whether it may be necessary to inform parents of a search for an item prohibited / restricted by this Policy.

15.24 The Academy does not require the pupil's agreement to search a pupil and their possessions for any item where the Academy has reasonable grounds for suspecting that a pupil has an item **prohibited by law** in their possession.

15.25 The following are items **prohibited by law**<sup>1</sup>:

15.25.1 knives or weapons, alcohol, illegal drugs and stolen items;

15.25.2 tobacco and cigarette papers, fireworks and pornographic images;

15.25.3 any article that a member of staff reasonably suspects has been, or is likely to be used:

- (a) to commit an offence; or
- (b) to cause personal injury to, or damage to the property of, any person (including the pupil).

15.26 The Headteacher, and staff authorised by the Headteacher, may use reasonable force to search a pupil's possessions where they have reasonable grounds for suspecting that a pupil has an item prohibited by law in their possession and the pupil refuses to cooperate with a search. The decision to use reasonable force should be made on a case-by-case basis. The authorised person should consider whether conducting the search will prevent the pupil harming themselves or others, damaging property or from causing disorder.

15.27 If it is believed that a pupil has an item **prohibited by law**, it may be appropriate for a member of staff to carry out:

15.27.1 search of outer clothing; and / or

15.27.2 search of the Academy property (e.g. a pupil's locker or desk); and / or

15.27.3 search of personal property (e.g. bag or pencil case).

15.28 Parents will be informed of any search for an item prohibited by law, and the outcome of the search as soon as is practicable. A member of staff will inform the parents of what, if anything, has been confiscated and the resulting action the Academy has taken, including any sanctions applied.

15.29 Being in possession of an item prohibited by law may mean that the pupil is involved, or at risk of being involved, in antisocial or criminal behaviour

---

<sup>1</sup> Section 550ZA(3) of the Education Act 1996 and Regulation 3 of the Schools (Specification and Disposal of Articles) Regulations (SI 2012 / 951)

including gang involvement, and in some cases may be involved in child criminal exploitation. Where any such item is found, the member of staff must refer the matter to the DSL without delay.

- 15.30 The staff member should also involve the DSL without delay if they believe that a search has revealed a safeguarding risk.

### **Strip searching**

- 15.31 A strip search is a search involving the removal of more than outer clothing and can only be carried out on school premises by police officers.<sup>2</sup> More information is contained within the [Searching Screening and Confiscation Guidance](#).
- 15.32 While the decision to undertake a strip search itself and its conduct are police matters, Academy staff retain a duty of care to the pupil(s) involved and should advocate for pupil well-being at all times.
- 15.33 Before calling police into school, staff should assess and balance the risk of a potential strip search on the pupil's mental and physical wellbeing and the risk of not recovering the suspected item. Academy staff will always consider whether introducing the potential for a strip search through police involvement is absolutely necessary and should always ensure that other appropriate, less invasive approaches have been exhausted.
- 15.34 An "appropriate adult" must be present at a strip search that would result in intimate parts of the body being exposed. Depending on the circumstances, the Academy may wish to involve an "appropriate adult" during other searches conducted by the police where this is deemed necessary to ensure the pupil's well-being. The role of the appropriate adult is to safeguard the rights, entitlements and welfare of children and vulnerable adults in police custody. This adult must not be a police officer or otherwise associated with the police. Examples of an appropriate adult include, but are not limited to, a parent, relative, social worker, teacher or, if the person is in the care of a local authority or voluntary organisation, a person representing that authority or organisation. An appropriate adult is not required when a pupil is eighteen or above.
- 15.35 An appropriate adult not of the same sex as the pupil being searched may be present if specifically requested by the pupil. Otherwise, no-one of a different sex to the pupil being searched is permitted to be present, and the search must not be carried out in a location where the pupil could be seen by anyone else.
- 15.36 Except where there is an immediate risk of harm and where reasonably possible, parents will be informed before a strip search takes place.
- 15.37 Parents will always be notified after a strip search has taken place.
- 15.38 The Academy will keep a record of searches (see below under **Record Keeping**).

---

<sup>2</sup> Police and Criminal Evidence Act 1984 (PACE) Code A and / or PACE Code C.

15.39 Following a strip search, the Academy will give pupils appropriate support, irrespective of whether the suspected item is found. If an item is found, this may be a police matter, but should always be accompanied by a safeguarding process handled by the school which gives attention to the pupil's wellbeing and involves the DSL. In all cases pupils should feel that they have an opportunity to express their views regarding the strip search and the events surrounding it. Staff should give particular consideration to any pupils who have been strip searched more than once and / or groups of pupils who are more likely to be subjected to strip searching with unusual frequency, and consider preventative approaches.

### **Screening**

15.40 The Academy may impose a requirement that pupils undergo screening for the detection of weapons.

15.41 Screening will take the form of a walk through or hand-held metal detector to scan all pupils for weapons before they enter the Academy premises.

15.42 If a pupil has a disability and /or special educational needs, the Academy will make any reasonable adjustments to the screening process as required.

15.43 If a pupil refuses to be screened, the Academy will consider why the pupil is not cooperating and will make an assessment as to whether it is necessary to conduct a search.

### **Confiscation**

15.44 All members of staff may confiscate, retain or dispose of a pupil's property (however it is found) where they have reasonable grounds for suspecting that the item:

15.44.1 poses a risk to staff or pupils;

15.44.2 is prohibited by law, or a restricted / prohibited item under this Policy; or

15.44.3 is evidence in relation to an offence.

15.45 The Academy's general power to impose sanctions enables a member of staff to confiscate, retain or dispose of a pupil's property as a sanction under this Policy, where reasonable to do so.

### **Mobile electronic devices**

15.46 The Academy has adopted a policy to prohibit pupils using mobile electronic devices during the school day. Mobile electronic devices include, but are not limited to, mobile phones, smartphones or other smart technology, tablets, laptops, MP3 players and any wearable technology that has the ability to send and / or receive notifications or messages via mobile phone networks, or the ability to record audio and / or video.

Further details about the Academy's policy can be found in the Acceptable use policy for pupils.

- 15.47 A mobile electronic device may be confiscated in accordance with this Policy. If there is good reason to suspect that the device has been, or could be used to cause harm, to disrupt teaching or breach this Policy, any data or files on the device may be searched and, where appropriate, data or files may be erased before the device is returned to its owner. Any search of an electronic device should be conducted in the presence of a member of the IT staff.
- 15.48 Any data or files will only be erased, if there is good reason to suspect that the data or files have been, or could be used to cause harm, to disrupt teaching or breach the Academy's policies on behaviour.
- 15.49 If inappropriate material is found on an electronic device, the member of staff may delete the material, retain it as evidence of a breach of this Policy or a criminal offence, or hand it over to the police if the material is suspected to be evidence relevant to an offence.
- 15.50 Staff should consider the appropriate safeguarding response if they find images, data or files on an electronic device that they reasonably suspect will put a person at risk.
- 15.51 Staff should not view or forward illegal images of a child. When viewing an image is unavoidable staff should follow the Academy's policy on sharing nudes and semi-nudes images or videos as set out in Appendix 1 of Safeguarding and child protection policy / and consult the advice set out in the [Searching Screening and Confiscation Guidance](#) and UKCIS guidance [Sharing nudes and semi-nudes: advice for education settings working with children and young people](#)]
- 15.52 The Academy will comply with data protection law in relation to any search of an electronic device.

### **Disposal of confiscated items**

- 15.53 Confiscated items will be disposed of at the discretion of the Academy unless the law requires the Academy to hand the confiscated item to the police, and in line with the [Searching screening and confiscation guidance for schools](#) paragraphs 58-71. In addition, the Academy will deal with the following specific items as outlined below.
- 15.54 **Controlled drugs** must be delivered to the police as soon as possible unless there is a good reason not to do so. When staff are unsure as to the legal status of a substance and have reason to believe it may be a controlled drug, they should treat it as such. If the member of staff is in doubt about the safe disposal of controlled drugs, they should deliver them to the police.
- 15.55 **Other substances** which are not believed to be controlled should also be delivered to the police, or disposed of as above, if the member of staff believes they could be harmful.

- 15.56 Items **that have been (or are likely to be) used to commit an offence or to cause personal injury or damage to property** should be delivered to the police as soon as reasonably practicable, returned to the owner, retained or disposed of.
- 15.57 **Pornographic images:** Pornographic images involving children or images that constitute "extreme pornography" under section 63 of the Criminal Justice and Immigration Act 2008 will be handed to the police as soon as practicable. As possession of such images may indicate that the pupil is at risk of harm, the DSL will also be notified and will decide whether to make a referral to children's social care.
- 15.58 Other pornographic images will also be discussed with the DSL. The images may then be passed to children's social care for consideration of any further action. If no action is to be taken by the local authority the images will be erased after a note has been made for disciplinary purposes, confirming the nature of the material.
- 15.59 **Weapons or items which are evidence of an offence:** these will be passed to the police as soon as possible.
- 15.60 **An item prohibited or restricted by the Academy:** these may, at the discretion of the Headteacher or authorised member of staff taking all the circumstances into account, be returned to its owner, retained or disposed of. In taking into account all relevant circumstances, the member of staff should consider: the value of the item; whether it is appropriate to return the item to the pupil or parent; and whether the item is likely to disrupt learning or the calm, safe and supportive environment of the Academy.

## 16 **Intervention, support and reintegration**

- 16.1 The Academy has a system in place to ensure leaders are aware of pupils whose behaviour is a cause for concern. The Academy will adopt a range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of suspension and permanent exclusion, including:
- 16.1.1 frequent and open engagement with Parents, including home visits if deemed necessary;
  - 16.1.2 providing mentoring and coaching;
  - 16.1.3 short-term behaviour report cards or longer-term behaviour plans;
  - 16.1.4 Alternative Provision; and
  - 16.1.5 engaging with local partners and agencies to address specific challenges such as poor anger management, a lack of resilience and difficulties with

peer relationships and social skills.

- 16.2 Where the Academy has serious concerns about a pupil's behaviour it will consider appropriate interventions, including whether the following might be appropriate: an assessment of a pupil's SEN and disabilities; where a pupil has an EHC plan, an emergency review and / or whether a multi-agency assessment.
- 16.3 The Academy will use Alternative Provision where planned interventions for individual pupils take place in place of mainstream lessons at a different location. In this Policy Alternative Provision is used for planned interventions for behavioural reasons and / or as a preventative measure to support pupils at risk of permanent exclusion.
- 16.4 Following a sanction, the Academy will consider appropriate strategies to help the pupil(s) involved understand how to improve their behaviour and meet the behaviour expectations of the Academy and how to reintegrate successfully back into school.. This may involve reintegration meetings between the Academy, pupils, parents and, if relevant, other agencies and will be considered on a case-by-case basis.

## 17 **Record keeping**

- 17.1 The Academy will establish and maintain a strong and effective system for data recording including all parts of behaviour culture that is collected from a range of sources and that is regularly objectively analysed and monitored by appropriately skilled staff.
- 17.2 The Academy will keep separate records and information about **behaviour**, including records and analysis of:
- 17.2.1 permanent exclusions and suspensions, incidents of poor behaviour and any use of internal isolation;
  - 17.2.2 bullying, discriminatory and prejudiced behaviour, either directly or indirectly, including racist, sexist, disability and homophobic / biphobic / transphobic bullying, use of derogatory language and racist incidents;
  - 17.2.3 sexual harassment and/or sexual violence;
  - 17.2.4 any restrictive physical intervention.

- 17.3 The Academy will record all **searches**:

- 17.3.1 in relation to prohibited items by law;
  - 17.3.2 conducted by police officers which will be recorded in the Academy's safeguarding reporting system (including whether or not an item is found).
- 17.4 Records of the search will include:
  - 17.4.1 the date, time and location of the search;
  - 17.4.2 which pupil was searched;
  - 17.4.3 who conducted the search and any other adults or pupils present;
  - 17.4.4 what was being searched for;
  - 17.4.5 the reason for searching;
  - 17.4.6 what items, if any, were found; and
  - 17.4.7 what follow-up action was taken as a consequence of the search.
- 17.5 The Academy will analyse any data gathered to consider whether searching falls disproportionately on any group / or groups and whether any actions should be taken to prevent this.
- 17.6 The Academy will keep a separate record of **sanctions** imposed for serious misbehaviour including suspensions and permanent exclusions. The record will include:
  - 17.6.1 the name and year group of the pupil concerned;
  - 17.6.2 the nature and date of the offence;
  - 17.6.3 the sanction imposed and reason for it; and
  - 17.6.4 the name of the person imposing the sanction.
- 17.7 The DSL will review the records in order to evaluate all data recorded in order to meet their obligations under this Policy and establish trends (for example, in respect of particular socio-economic groups, or groups with a protected characteristic).

17.8 The information created in connection with this Policy may contain personal data. The Academy's use of this personal data will be in accordance with data protection law. The Academy has published on its website privacy notices which explain how the Academy will use personal data.

17.9 All records created in accordance with this Policy are managed in accordance with the Academy's policies that apply to the retention and destruction of records.

## 18 **Publication availability and feedback**

18.1 This Policy is published on the Academy's website.

18.2 This Policy is available in hard copy on request, including in accessible formats.

18.3 The Academy welcomes feedback on how the Academy can continue to improve this Policy, and this can be sent to the school office, marking the subject line 'Feedback on Behaviour Policy.'

## Appendix 1 Off-site directions and managed moves

### 1 Off-site directions

- 1.1 The Academy can require a pupil to attend another education setting to improve their behaviour. This is known as an "off-site direction."
- 1.2 An off-site direction will only be used where in-school interventions and / or outreach have been unsuccessful or deemed inappropriate and will only be used to arrange a time-limited placement in Alternative Provision. It will not be used as a sanction for recent or past misconduct.
- 1.3 Where possible parental views on a proposed off-site direction should be obtained. However, the Academy can make an off-site direction without parental consent. The Academy will provide written notification to parents (or pupils aged 18 or over) (and the local authority if a pupil has an EHC plan / is a looked after child) and any information about the placement as soon as practicable after the direction has been made and no later than two school days before the first day the pupil is required to attend the Alternative Provision.
- 1.4 The off-site direction can be full-time or a combination of part-time support in Alternative Provision and continued education at the Academy.
- 1.5 The duration of an off-site direction will depend on what best supports the pupil's needs and potential improvement in behaviour.

- 1.6 A proposed maximum period of time will be decided during the planning phase for an off-site direction and agreed between the Academy and the Alternative Provision. Also, as part of the planning, alternative options will be considered once the time limit has been reached, including a managed move (if the pupil is placed in a mainstream school) on a permanent basis upon review of the time limited placement.
- 1.7 The nature of the intervention, its objectives, and the timeline to achieve these objectives will be clearly defined and agreed with the Alternative Provision before the placement starts. The plan will then be frequently monitored and reviewed. A pupil must continue to receive a broad and balanced curriculum to support their reintegration once the off-site direction ends.
- 1.8 In all cases parents will be expected to be supportive of the Academy's decision in relation to an off-site direction, and pupils will be expected to attend the Alternative Provision as directed. If they do not attend, their absence will be unauthorised and dealt with in the same way as it would if they had failed to attend the Academy.
- 1.9 The arrangements for the off-site placement will be based on an understanding of the support the pupil needs in order to improve their behaviour, as well as any SEN and disabilities or health needs the pupil has.
- 1.10 The off-site placement will be regularly reviewed, and parents will be involved in the review. The purpose of the review(s) is to ensure that the off-site placement is achieving its objectives, and that the pupil is benefitting from it. Parents will be informed in writing each time that the placement is extended including the reasons for this. Parents and pupils are encouraged to praise progress and raise any concerns about the off-site direction at an early stage. As part of the review(s) the Academy will design a reintegration strategy that:
  - 1.10.1 offers the pupil a fresh start;
  - 1.10.2 helps them understand the effect of their behaviour on themselves and others;
  - 1.10.3 teaches them how to meet the high expectations of behaviour in line with the Academy's ethos and culture;
  - 1.10.4 fosters a renewed sense of belonging within the school community; and
  - 1.10.5 builds engagement with learning.
- 1.11 There will be a reintegration meeting before or at the beginning of the pupil's return to The Academy to discuss the reintegration strategy. Parents will be invited to attend but they are not required to attend.
- 1.12 During the period of an off-site direction the pupil must be recorded in the attendance register using code D to indicate that the pupil is

absent with leave to attend another school at which they are registered (dual registered).

- 1.13 The Academy will aim to follow the **Alternative Provision Guidance** when exercising this power.

## 2 **Managed moves**

- 2.1 Managed moves are a behaviour management tool to avoid permanent exclusion, ensure high standards of behaviour and maintain the safety of the school community. A managed move is used to initiate a process which leads to the transfer of a pupil to another mainstream school / academy permanently.
- 2.2 Whilst the intention of a managed move is a permanent transfer of a pupil from one school to another, this is described as a “process” in the Statutory Guidance. Managed moves are voluntary and agreed with all parties involved, including the parents and the new school. Managed moves should only occur when it is in the pupil's best interests.
- 2.3 If a temporary move to another setting is needed to improve the pupil's behaviour, then off-site direction (as described above) should be used instead. In a managed move the pupil must be on the school's roll where education is being provided and the School Attendance (Pupil Registration) (England) Regulations 2024 will apply. Once the managed move has begun and the pupil is on roll with the new school in accordance with those regulations, the new school cannot simply return the pupil to the old school on grounds of behaviour and a permanent exclusion would have to be considered by the new school if the move was unsuccessful.
- 2.4 Managed moves should only be offered as part of a planned intervention. The Academy will provide appropriate initial intervention prior to a managed move, which could include, where relevant, multi-agency support or statutory assessments. The Academy will keep a record of intervention offered.
- 2.5 Where a pupil has an EHC plan, the Academy will contact the relevant local authority prior to the managed move. If the local authority, both placements and parents are in agreement that there should be a managed move, the Academy will ask the local authority to amend section I of the pupil's EHC plan.
- 2.6 The Academy will share any relevant information with the new school before the managed move, including data on prior and current attainment, academic potential, a risk assessment and advice on effective risk management strategies. This will enable the new school to ensure that the pupil is provided with an effective integration strategy.

## **Appendix 2 Investigation of incidents**

### 1 **Investigation**

- 1.1 The Headteacher may investigate incidents which potentially give rise to a breach of this Policy, or they may appoint a member of staff to carry out the investigation.
- 1.2 The investigation and any interviews or meetings which take place with pupils will be conducted fairly, in a way which is appropriate in a school environment, and without being formal or legalistic in nature.
- 1.3 The pupil or pupils involved will be interviewed as part of the investigation to allow them to give their full version of events.
- 1.4 The pupil will be asked to make a statement, and / or a written record of the interview will be made by the interviewing member of staff. Pupils will be asked to sign and date their statement or the written record of the interview, confirming it to be true and accurate.
- 1.5 Where pupils are at risk of sanctions, they should normally be accompanied by a member of staff not involved in the incident or the investigation while they are interviewed unless it is not reasonably practicable. If further information comes to light to which the pupil has not yet had an opportunity to respond, the Academy will consider whether it is necessary to re-interview the pupil suspected of a breach of this Policy and any other relevant pupils and staff.
- 1.6 Pupils who are clearly only witnesses and not at risk of sanction may be interviewed without an additional member of staff being present.
- 1.7 Parents do not need to be notified that interviews are taking place, and their consent is not required.
- 1.8 Parents may be invited to attend an interview in the case of potentially serious breaches where the Academy deems it appropriate to do so.
- 1.9 CCTV footage may be viewed and pupils' desks, lockers and / or personal belongings may be searched during the course of an investigation.
- 1.10 It may sometimes be necessary to delay or suspend an investigation, for example where the police or social services are involved and have recommended this. A decision to delay or suspend an investigation will consider advice from appropriate external agencies and will be subject to periodic review. In relation to alleged sexual violence or sexual harassment, the Academy will have regard to KCSIE and the Academy's DSL will take a leading role on decisions.
- 1.11 Where the Headteacher has appointed a member of staff to investigate an incident which may result in suspension or permanent exclusion, the investigator will report the outcome of their investigation to the Headteacher to enable the Headteacher to make an informed decision.
- 1.12 When interviewing and carrying out an investigation the Academy will comply with its duties under the Equality Act, including the duty to make reasonable adjustments, and also consider whether a pupil

may require additional support due to the pupil's SEN and disabilities, additional needs or other special circumstances such as mental health difficulties.

## 2 **Removal from the classroom or suspension pending further investigation**

- 2.1 Where the incident is serious and it has not been possible to complete the full investigation on the day that the incident occurred or was brought to the attention of the Academy, the pupil may be removed from the classroom while the investigation continues. During this time the pupil will receive a broad and balanced curriculum.
- 2.2 Alternatively, where it is not appropriate for the pupil to remain on the Academy's premises while the investigation continues, the Headteacher may suspend the pupil pending further investigation. The length of the suspension will be kept to the minimum required to complete the investigation.
- 2.3 Before a suspension pending further investigation is imposed, the Headteacher must be satisfied that there is sufficient information in relation to the pupil's involvement in the incident.
- 2.4 A suspension pending further investigation is a serious sanction and the statutory procedure set out in the [Suspensions and Permanent Exclusions Guidance](#) will be followed (including sending a notification letter to the Parents containing all mandatory information).
- 2.5 The Headteacher will take into account the period of removal from the classroom or suspension when determining the final sanction.

## Appendix 3 Rewards and Sanctions

1 Examples of the rewards and sanctions the Academy ordinarily uses are set out below.

### 2 **Examples of appropriate rewards**

See 'Henleaze Junior School's Behaviour Principles and Routines'.

### 3 **Examples of appropriate sanctions**

See 'Henleaze Junior School's Behaviour Principles and Routines'.

### 4 **Suspension and permanent exclusion**

- 4.1 Telling a pupil to leave the school or not allowing them to attend school is a suspension (if temporary) or a permanent exclusion (if permanent). Whenever the Academy asks a pupil to leave school, or not to attend school, on disciplinary grounds, this will be done in accordance with the [School suspensions and permanent exclusions guidance](#).
- 4.2 Only the Headteacher has the power to impose a suspension or permanent exclusion from school. An "Acting Head" who has been formally appointed to this position in the Headteacher's absence or pending the appointment of a Headteacher will also have this power.
- 4.3 The decision to suspend or exclude permanently will be lawful, reasonable, fair and proportionate.
- 4.4 A pupil's behaviour both in school and outside school can be considered grounds for suspension or permanent exclusion.
- 4.5 In all cases the Headteacher] will, without delay, write to Parents notifying them of the period of the suspension or permanent exclusion, the reason(s) for it and their rights as set out at paragraph 64 of the [Suspensions and permanent exclusions guidance](#).
- 4.6 The Headteacher should take reasonable steps to ensure that work is set and marked for pupils during the first five school days where the pupil will not be attending Alternative Provision. Any appropriate referrals to support services or notifying key workers (such as a pupil's social worker) should also be considered.
- 4.7 The Headteacher must take account of their legal duty of care when sending a pupil home following a suspension or permanent exclusion.
- 4.8 The Headteacher can cancel a suspension or permanent exclusion that has already begun (or one that has not yet begun), but this can only happen when the governing board has not yet met to consider whether the pupil should be reinstated. Where the Headteacher cancels a suspension or permanent exclusion:
  - 4.8.1 the Headteacher must notify the Parents, the governing board, the local authority and the pupil's social worker and

- VSH as applicable, without delay. The notification must also provide the reason for the cancellation;
- 4.8.2 the governing board's duty to consider reinstatement ends, and there is no requirement to hold a meeting to consider reinstatement;
  - 4.8.3 parents (or the excluded pupil if they are 18 years or older) should be offered the opportunity to meet the Headteacher to discuss the circumstances that led to the suspension or permanent exclusion being cancelled which should be arranged without delay;
  - 4.8.4 the pupil must be allowed to attend the Academy without delay;
  - 4.8.5 any days spent out of the Academy as a result of any suspension or permanent exclusion, prior to the cancellation will count towards the maximum of 45 school days permitted in any school year.
- 4.9 A **suspension** is where a pupil is temporarily removed from the Academy. A pupil may be suspended for one or more fixed periods (including lunch time suspensions, which each count as half a day).
- 4.10 A pupil can be suspended up to a maximum of 45 school days in a single academic year. A suspension does not have to be for a continuous period.
- 4.11 Sending a pupil home 'to cool off' is unlawful when it does not follow the statutory suspension or permanent exclusion process and regardless of whether it occurs with the agreement of parents.
- 4.12 Following a suspension there will be a reintegration meeting before or at the beginning of the pupil's return to school to discuss the reintegration strategy. Parents may be invited to attend.
- 4.13 A **permanent exclusion** is when a pupil is no longer allowed to attend the Academy (unless the pupil is reinstated). The decision to exclude a pupil permanently should only be taken:
- 4.13.1 in response to a serious breach or persistent breaches of this Policy; and
  - 4.13.2 where allowing the pupil to remain at the Academy would seriously harm the education or welfare of the pupil or others such as staff or pupils.
- 4.14 A permanent exclusion cannot be cancelled if the pupil has already been excluded for more than 45 school days in a school year or if they will have been by the time the cancellation takes effect.

## Appendix 4 Regulatory framework
