

Year 4 Home Learning 22-26 June

Lesson 1 – 30 mins per day

English

This week you'll continue to explore, with styles of writing. You'll be focussing on a stunning picture book called '[Flotsam](#)' ([PDF of all pages](#)) by David Wiesner.

You'll be writing a story using the image to observe, wonder and infer - allowing your imagination to flow, making a glossary using sea-themed words, persuade an audience to purchase an underwater camera, whilst using fronted adverbials, speech, adjectives, similes, alliteration and question marks. Enjoy this week's challenge!

Spelling

Spelling this week is a Special focus-homophones

Resources

All the resources and links are in the PDF, which has been attached.

Monday [Day 1 Learning - Glossary](#)

Tuesday [Day 2 Learning - Observe, Wonder and Infer](#)

Wednesday [Day 3 Learning - Persuade](#)

Thursday & Friday [Day 4 & 5 Learning - Dilemma + Write your own 'Flotsam'](#)

For a little fun, you may want to design your own flotsam underwater city, like the one in the book on page 15, 16 or 27.

Get creative Elli unicorns!

Spelling - Special focus – Homophones

How many other homophones can you make a note of? Can you write the meaning of some. E.g. bare + bear

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Lesson 2 – 30 mins per day</p>	<p><u>Maths</u></p> <p>The lessons this week revise writing, comparing, ordering and rounding decimals.</p> <p>The teaching videos are from White Rose, but we no longer have access to the activity sheets, therefore click on the BBC Bitesize link beside the video. This will give you more interactive activities and then a choice of worksheets to complete.</p> <p>Remember we are working 1 week behind with the White Rose scheme, so you will need to scroll and click on Week 8- W/C 15th June</p>	<p><u>Resources</u></p> <p>White Rose Maths Summer Term Wk 8 W/C 15th June</p> <p>Each day click on the BBC Bitesize link beside the video. Then click on Year 4. This will take you to the daily lessons. Then follow the instructions below.</p> <p>Lesson 1 – Writing decimals- Click on 15th June maths</p> <p>Lesson 2 – Compare decimals – Click on 16th June maths</p> <p>Lesson 3 – Order decimals – Click on 17th June maths</p> <p>Lesson 4 – Round decimals – Click on 18th June maths</p> <p>Lesson 5 - Multiplication Tables practice using an app or resource of your choice.</p> <p>Extra Challenge – Solve the problems below.</p> <p>Roman Numerals Take Three Numbers</p>

OtherScience

L.O. Can I create a branching classification key to sort and identify local invertebrates?

Scientists find it helpful to have a classification key to identify living things. Think about the minibeasts you found last week and see if you can classify them by asking questions using a branching key. See page 18 of mini beast pack for a branching key. You can use different questions. You will need to be a yeti to complete this challenge.

Topic- Recent events - Equality for all

In the light of recent events around the world and protests about equality and how everyone should be treated equally we would like you to think about this at home this week and talk with adults in your home. See the power point for things to discuss and activities.

MFL

Mrs Goulden has set up a German learning page for you to access new resources each week. Click on the link to find out more.

ART

Have a go at drawing, colouring or painting beautiful, coloured, detailed Rangoli patterns. Rangoli is a type of art that started in India and the patterns are thought to bring good luck. Hindus create them for Diwali.

R/E

Diwali (means row of lighted lamps), the Hindu festival of light, welcomes the Hindu new year and honours the goddess, Lakshmi – the goddess of wealth. It also celebrates the story of Rama and Sita who return to their kingdom after 14 years in exile, guided home by divas (tiny lights).

Task: Watch the clips then design and make edible divas for lunch or tea by cutting out vegetable shapes or cheese and adding them to crackers or maybe design a sweet version on a biscuit. Don't forget to send us a photograph of your delicious designs.

Challenge: Try the quiz. How much can you remember about Diwali?

Every day, try and find time for:

At least 20 minutes reading

10 minutes practising spellings

10 minutes practising times tables

20 minutes aerobic exercise – get your heart beating a bit faster and your muscles stretching!
